

# CONTINUING EDUCATION NASBA CPE

This program has been approved for 11.50 NASBA CPE Continuing Education Credits.

In compliance with NASBA standards, program participants must record the codes provided end of program sessions. No codes will be given outside of the session. After the conference has concluded, please submit your completed form to [education@rbma.org](mailto:education@rbma.org). Once we certify that the correct codes are recorded, the RBMA will issue a signed NASBA CPE Continuing Education form listing the approved continuing education credits. Please allow 2 weeks after submission to receive your final NASBA CPE Continuing Education form. Attending the same session in different time blocks will only grant you one hour of CE credit.

**CPE Credit Statement:** In accordance with the standards of the National Registry of CPE Sponsors, CPE credits have been granted based on a 50 minute hour.

**Delivery Method:** Group Live

**CPE CEUs:** The National Association of State Boards of Accountancy has approved 11.50 credit hours available for recertification. Though the total amount of live hours is 12.50, attendees can only attend 11.50 total hours due to concurrent session times.

RBMA is registered with the National Association of State Boards of Accountancy (NASBA), as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have final authority on the acceptance of individual courses for CPE credit.
