Description

West Virginia University School of Medicine and the Department of Radiology seek an **Interventional Radiologist** (ranks available: Assistant Professor, Associate Professor, or Professor). The successful candidate will be expected to practice at J. W. Ruby Memorial Hospital in Morgantown, WV.

Duties: The successful candidate will practice in the area of Interventional Radiology. In addition to providing excellent patient care, the successful candidate will also be actively involved in teaching medical students, residents, and fellows.

Qualifications: Candidate must have an MD or DO degree or foreign equivalent and be eligible for state medical license. Successful candidate must have completed radiology residency program, as well as interventional radiology fellowship program. Successful candidates must be board certified / eligible in interventional radiology. All qualifications must be met by the time of appointment.
